

Recommitment Statement

They devoted themselves to the apostle's teaching and to the fellowship, to the breaking of bread to prayer. Acts 2:42

Today we live in a transitional culture. People change areas of residency, transfer jobs, and relinquish membership in various organizations.

In an effort to keep focused on the works of ministry and keep up-to-date records, the elders have designated one month a year to recommitment by the congregation. Recombitment will enable us to assess and refocus our commitment to ministry and to each other. Updating these records also affords us an opportunity to specifically pray for individuals by name.

We appreciate your co-operation in this matter. You can fill out the information below and return it to the welcome center or office. This form may also be located on the church website. **Recommitment is for members only.**
