## HEARTS FOR MISSIONS

February is Missions Month at Awana! All our clubs will be collecting money for the month of February to help support an Awana club in an underprivileged part of Venezuela.

Participation is not mandatory, but we would like to give children the opportunity to get involved. We encourage children to bring money that they have earned by doing extra work at home, spare change, etc. This activity emphasizes the importance of giving.

Money will be collected in each club's classrooms. Thank you in advance for your support and helping expand the reach of God's word!

This year, we are adding a local project as well. Throughout the rest of the month of January and into February, we will be making thinking of you/ Valentine's cards for our SBC families that have been unable to attend church throughout these challenging months. Some of them will be hand delivered during a hymn caroling event in early February (weather permitting) or will be mailed to them. If you're able, we'd love to have our clubbers also make a few at home that we will collect and pass out. It does not have to be anything special-families love anything that kiddos draw/create.

## ENCOURAGE YOUR CHILD

We are more than half way through this year's Awana program. Continue to help your child with their handbook work and scripture memory. The benefits will last a life time!
